Bahama House - Nightly

The BAHAMA HOUSE located at 508 Amelia Street is a historic Bahamian-style Conch Cottage. It is a perfect example of turn-of-the-century island architecture. This adorable two bedroom cottage, each with queen bed and TV (the master has a large flat screen), two full baths and queen sleeper-sofa is accented with Dade County pine walls, cathedral ceilings and island folk art, including original oil paintings, glass sculpture and antique furnishings. The dual head shower in the master bathroom can make for an intimate bathing experience for two or a hosing station for sandy kiddies. Bose Wave Radio/CD player, flat screen cable TV, DVD, and wireless internet. And that's just the interior!

Upon entering the recently renovated large private covered porch your eyes will be drawn to the private seasonally heated pool with waterfall. With outdoor dining for a family of six there is no reason not to BBQ that fresh catch on your gas grill! Or just sit in a rocker and sip that margarita while listening to Jimmy Buffet.

Despite the history, technology and artistry of the Bahama House, the most valuable feature is that old real estate maxim: location, location, location! With a private off-street parking place, a rarity on this little island, you are just two doors down from the famous Duval Street, with just a short walk to the hustle of Sloppy Joe's. The Bahama House is central to all the action in Key West. Experience the history, culture, and adventure that living in the Bahama House affords.
